Company Profile

Ningbo East Co., Ltd established in 2003, specializes in Home & Kitchen appliances. The lines consist of popcorn machine, cotton candy machine, toaster, sandwich maker, full automatic coffee machine, capsule coffee machine and so on. All the products are approved by CE, GS, ROHS, EMC, EMF, LFGB, ETL, CETL, UL, CUL.

We turn out 200,000 units each month, all of which are for overseas markets. Half of the shipments go to Eastern Europe, North America, the EU, the Middle East, the Asia-Pacific region and other locations share the balance.

We generate annual sales of \$30 million. Overseas revenue is projected to increase more than 20 percent in the new year. Seventy percent of shipments are OEM orders. ODM transactions constitute one-fifth, while the rest bear the in-house brand.

We boast equipment for molding, spray-painting, plastic injection, punch machine and current-leakage and voltage testing in the 50,000sqm factory.

Fifteen of the company's 500 full-time employees are in the R&D department, which will concentrate on multifunction designs in the next half year. Thirty workers, meanwhile, are in charge of executing QC processes at the ISO 9001:2000-certified production facility.

Keep innovating and Best Service is our Tenet! Wonderful life because of you!
